Information for Applicants - Organisations

Applications are welcomed from organisations and special needs schools working with people with disabilities when the equipment is not available through statutory funding.

Organisations must be based in Merseyside, Cheshire (west of M6), North Wales or North Shropshire. Our grants are discretionary, and we are unable to grant every request.

Enable funding for organisations is for communal benefit. Typically, but not exclusively it may comprise:

- Sensory and immersive rooms
- Disabled access sports and play equipment
- Smiley buses (please telephone us first on 01829 782808 to check your eligibility and to request an application form)

If the application is successful, who owns the equipment?

If your application is successful, the organisation becomes the owner of the equipment.

Smiley Buses are offered on a five-year loan basis with the option to purchase for £1 at the end of that period. You are responsible for the insurance and maintenance of the equipment in line with the manufacturer's recommendations.
